

# The Carbon-Free Press

## Delta CleanTech Inc Presents at the Carbon Capture Technology Expo in Houston, TX

**Delta CleanTech** is pleased to be presenting at the upcoming Carbon Capture Technology Expo happening June 14th-16th in Houston, Texas

This event will be held at the George R Brown Convention Center – over 1,800 participants are expected in person with an additional 8,000 participants registering for the online speeches.

**Delta** Vice President, Todd Beasley, will be presenting a paper entitled “*The Science, Engineering and Art of Carbon Capture*” and **Delta** will also be participating in the trade show. Everyone is looking forward to meeting live and in person again, so we are anticipating a phenomenal show.

**Consider yourselves  
invited and see us at  
Booth # 322!**
